SCHOOL-PARENT COMPACT FOR LEARNING

Our students' parents, families, extended families, students themselves, as well as our local community are all considered partners who share responsibilities for high student academic achievement. Following are the responsibilities for the school, the parents, and the students:

SCHOOL RESPONSIBILITIES

Crabbe Elementary will:

1. Provide high-quality curriculum and instruction in an effective, supportive, and safe learning environment that enables the students to meet Kentucky's academic standards.
2. Make available on a regular basis information on our programs and the content students will learn each year.
3. Assign homework in accordance with our homework policy.
4. Send home information on student progress on a regular basis. Specifically we will provide formal reports every **NINE** weeks.
5. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual student's achievement. Opportunities (where appropriate) will be provided for the student to participate actively in sharing information on his or her progress with his or her parents during these conferences.
6. Provide parents reasonable access to staff. The email addresses and telephone extensions of their child's teachers will be provided to parents to promote communication. Staff will always be available to parents by appointment for face-to-face conferences.
7. Send home newsletters at least four times a year that include information on ways families can help students learn. The first newsletter will contain a copy of this policy.
8. Support an active Parent Teacher Association or Organization.
9. Provide a variety of opportunities for parents and family involvement in school activities including but not limited to:
 - Observing their child's classroom activities.
 - Assisting with classroom activities that require more than one adult.
 - Preparing materials, mailings, refreshments, and other items needed for family and community involvement.
 - Serving on one of our decision-making committees.
 - Joining our parent teacher organization and participating in its efforts to strengthen our school.
 - Volunteering along with other concerned members of our community in other areas as needed.
10. Ensure that all adult volunteers working in our school and with our students are subject to board policy and state law regarding criminal record checks, as applicable.

The Family Resource/Youth Service Center will share responsibility for student achievement by:

1. Surveying families at least once a year to learn what services and activities would most help them support their children as learners.
2. Offering a well-planned, well-publicized menu of activities and programs to meet those needs.
